The Grotto.

Monarch I. S. Goldsmith announces a house meeting of Kallipolis Grotto at Chamber of Commerce Hall on October 12. At this meeting announcement will be made of the first winter ceremonial, which probably will be held about the middle of November. The usual fall ceremonial has been delayed, owing to the absence from the city of a large number of members and the inability of others to attend meetings on account of unusual business conditions.

The Grotto Club furnished entertainment for the soldiers, sailors, and marines in the vicinity of Washington at Epiphany Church last Saturday evening.

Prophet A. H. Staples, who is looking after the interests of the Grotto Junior Drum and Bugle Corps, is arranging for an entertainment to be given in the near future for the benefit of the boys.

At the communication of St. John's Lodge last Friday evening Grand Monarch Edward S. Schmidt was formally welcomed by Worshipful Master Abram R. Winstone. In a few words Grand Monarch expressed appreciation of the honor.

The patriotic dance of the Grotto Drill Corps, to be held at Rauscher's on October 5, is occupying the attention of Chairman Henry Lansburgh and the members of that auxiliary.

It is believed that the dance will prove one of the most popular and novel of any similar event given under Grotto auspices. Grotto members and their friends are invited to participate in the evening's festivities, and tickets can be obtained from members of the drill corps and officers of the Grotto.
